SCHEDULE SMARTER. RUN A STRONGER SCHOOL.

SchoolShift

Spend less time scheduling.

More time running your school.

SchoolShift helps you build smarter schedules, spot staffing gaps, manage call-outs and reduce unnecessary overtime, all in one place.

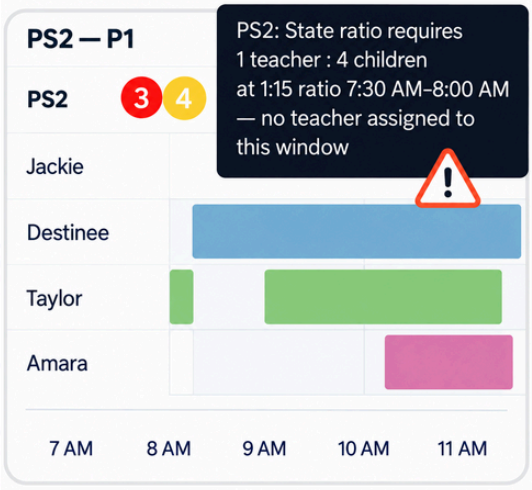

What could SchoolShift give you back?

- Less time spent building schedules
- Faster response to call-outs
- Fewer coverage surprises
- Better visibility into ratios and staffing gaps
- Less unnecessary overtime
- One schedule your entire team can see

Happier teams. Smoother days.

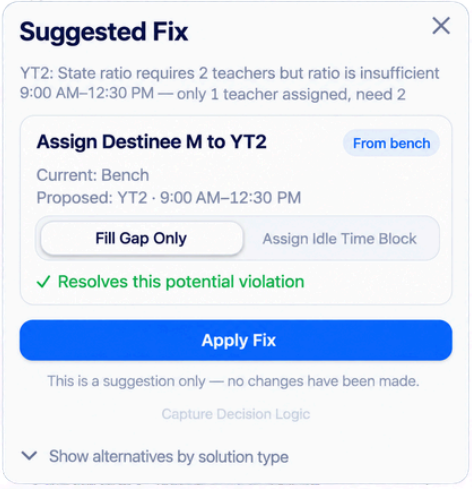

1 SPOT THE GAP

See staffing gaps, ratio issues, and coverage problems before they become tomorrow's emergency.

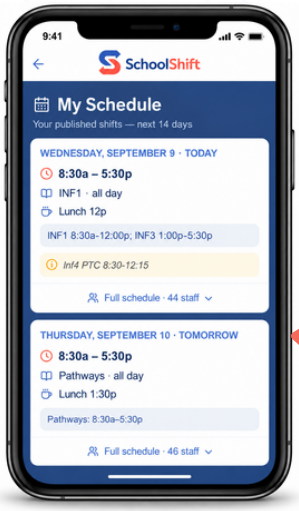

2 FIX IT FAST

When someone is out, quickly see your options and adjust the schedule without rebuilding the entire day.

3 PUBLISH & GO

Send the schedule directly to your team, so everyone knows where they need to be. Classroom tablets too!

On your team's devices and classroom tablets too
